Login

THE MAIN PAGE

After logging in successfully, you will see the main page in which you can choose to add a purchase or sell a car.

MENU BAR

Purchases menu

In this menu, you can choose to see completed purchases or add new purchases. When choosing the submenu See Purchases, a list of up to date purchases is displayed where you can also search for a particular car in Search Car, while on the occasion of selecting the Add Purchases submenu the current car list is displayed and the form that needs to be completed for the addition of a new car appears.

The form includes the mark of the brand of the car in the **Brand** field, the model name of the car in the **Model** field, the type of engine in the Motor field, in the **Type** field should be selected one of the offered options (small car, Sedan, Hatchback, Universal, Couplings, Cabriolets, SUVs, Minivan), in the field **Color** is marked the color of the car, in the field **Production Year** marks the year of production of the car, at **Number of Doors** should be selected if the car has 3 or 5 doors, in the field **Fuel** you should choose the type of fuel used by the car (Gasoline, Oil, Gas, Hybrid, Electric), at the **Shift Knob** should be selected if the machine is with Manual or Automatic transmitters, at the **Plates** should be selected type of vehicle license plates (Kosovar, Albanian or Foreign) and finally the car **Price** should be noted. By clicking on the **Add Purchase** button the process is finished and the car is added to the data.
